PUBLIC NOTICE

Till date, National Pharmaceutical Pricing Authority (NPPA) has fixed ceiling prices of 530 formulations from the list of essential medicines included in Schedule-I of DPCO, 2013. However, NPPA has not fixed ceiling prices of balance 98 formulations due to non-availability of data/information in the retail channel.

2. NPPA had sought data/information about these 98 formulations from all State Governments/ UTs, Drugs Controller General (India), Drug Controllers of States/UTs, IMS health, Pharma Trac, Apex pharma organizations i.e. OPPI, IDMA, AIOCD AISSPMA, CIPCI, FICCI, CII, FOPE, AICDF, IPA etc. and Trade Associations. This was also widely publicised through NPPA's website.

3. Information indicating the details of retail sale of these 98 formulations (list attached) may be informed to NPPA within 30 days of issue of this public notice.
